

GIDGEGANNUP AGRICULTURAL SOCIETY

The Hampstead Hills Progress Association was formed in 1946 with the initial task of presenting an Agricultural show, which they achieved that same year and have continued to do so since. In 1949 the group changed its name to Gidgegannup Progress Association and took on a broader role in the community, including the publication and distribution of local newsletter "Gidgegram".

In 1962 the Show sub-committee sought independent incorporation to exercise financial control of Agricultural Show matters, and in 1990 the two groups officially separated, with the Progress Association handing over the showground land and responsibility for publication of "Gidgegram" to the Gidgegannup Agricultural Society.
